Board Certification Preparation [PC-Based Home Study Software]

Dear Doctor, Residents, Fellows, Directors and Practitioner Colleagues,

Please allow me to re-introduce the Foot and Ankle Research Consortium, Inc. [FARC] of Atlanta, Georgia. We launched the podiatric board preparation software industry 2 decade ago.

Today, FARC is the leading publisher of electronic podiatric educational tools and interactively weighted psychometric software for the profession. Since 1992, we have been producing the most effective and innovative methods of preparing for all podiatry board examinations; including:

- **American Board of Podiatric Surgery (ABPS)**
- **American Board of Podiatric Orthopedics (ABPO)**
- **American Board of Primary Podiatric Medicine (ABPM)**
- **American Podiatric Medical Specialties Board (med, surgery & diabetic wounds)**
- **American Board of Lower Extremity Surgery (ABLES)**
- **National Board of Podiatric Medical Examiners (NBPME – PMLexis II and III)**
- **American Board of Podiatric Medical Practice Management (ABPMPM)**
- **All Board Re-Certification Examinations**
- **Comprehensive Library of Podiatric Medicine and Surgery**

NEW! UNADVERTISED “SPECIALS”

- **Comprehensive Oral Questions for all Podiatry Board Examinations**
- **Atlas of Limb Preservation [Complex Foot and Ankle Surgery for the High-Risk Diabetic Charcot Foot and Infected Patient]** (illustrated .PDF e-book; 170 pages)
- **Trauma Atlas of Pilon Ankle Fractures** [illustrated .PDF e-slide show; 170 pages]

For your protection from *faux* products, our material is: (1) continually updated, (2) non-advertiser driven and (3) securely purchased - rather than delivered thru costly online subscriptions. To date, FARC board simulation software has been used by over 6,000 podiatrists. We have the most popular programs for all written and oral podiatric board examinations on the market.

And, you have our product replacement “*guarantee to pass*”.

Please call, fax or email for more information; or visit us on the Web: **[www.PodiatryPrep.com]**.

Cordially Gene,
Eugene Schmuckler; PhD, MBA, M.Ed, CTS™
